the new school

This is what the new school looked like during the first month or so of the '79-'80 school year.

There was a student dedication held in the new auditorium on January 18, 1980. The senior high concert band played two musical selections. The senior high triple trio also performed.

Roy Watson, chairman to the Board of Directors of Kahler Corporation, was the keynote speaker.

A public dedication for the new addition was also held **this spring.**
